

Scholarship History Form

The Manhattan School of Music Scholarship Committee requires that all post-secondary institutions that you have previously attended provided us with information regarding all institutional and/or private scholarships you received while in attendance at their institutions.

- **The student should complete the release statement (Part A), indicating the name of the college attended.**
- **Students do NOT complete PART B, which is completed by a School Financial Aid Officer, if money was awarded.**
- **If you have attended more than one college, make copies of this form, and complete one for each college.**
- **If you received grants/scholarships, forward this form to the financial aid office at each college AS SOON AS POSSIBLE. Each college will complete the "Information Request" section (Part B). Please mail the form directly to Manhattan School of Music.**
